---

## Education

**B.S., Kinesiology**

**California State University, Los Angeles**

**2019 - 2021**

---

## Software Experience

**Junior Developer**

**Poke To The Moon**

**2023**

- Collaborated with the client to identify their business needs and product vision.
- Built three mock designs and wireframes for the company's landing page and featured product.
- Integrated Google Maps API to display the restaurant's location, hours, and contact info.
- Setup, developed, and managed the website through Hostinger.

**Developer Projects**

**Self Development**

**2022-2023**

- Portfolio Website
    - Optimized portfolio's styling to ensure quality response and visuals across common screen sizes.
    - Integrated Smtplib and Elastic Email to forward messages and updates to email.
    - Utilized Hostinger's hosting and DNS services to deploy my portfolio website for public access.
  - Weather App
    - Designed a web UI to display, send, and manipulate API calls to a weather database handler.
    - Made an async API request bot to fetch weather data based on a user's input city value.
    - Created queries from raw weather data to populate the weather app's display.
    - Integrated Unsplash API to personalize the application's background to the user's preferred city.
  - Todo List App
    - Utilized JSON stringification and parsing to reformat data for local browser storage.
    - Deployed event handling to enable dynamic responses to user inputs.
- 

## Software Projects and Certification

**Web Development Bootcamp**

**Dr. Angela Yu**

**2022 - 2023**

- Developed and designed websites with advanced libraries and frameworks such as Node.js, Express.js, MongoDB, Mongoose, Bootstrap and React.js.

**Complete Web Developer**

**Andrei Neagoie**

**2022**

- Facilitated mastery of front-end web development, showcased expertise in color theory, typography, and responsive design.

**Foundation and Full Stack Javascript**

**The Odin Project**

**2022**

- Project oriented course for learning web development, including HTML, CSS, JavaScript.
- 

## Work Experience
